

XO

Entertaining or relaxing
XO fits your lifestyle.

THE NEXT LEVEL IN REFRIGERATION

BEVERAGE CENTERS

FULL EXTENSION SHELVES

Easily store and find whatever you need with adjustable glass shelves that extend all the way out when fully loaded.

SECURE DOOR LOCKS

Keep contents safe and uninvited guests out.

DIGITAL CONTROL PANEL

Control temperature for chilled or icy cold beverages, adjust lighting and more. It's easy with the XO intuitive control panel.

XACTIVE AIR CIRCULATION

Filtered, conditioned air is recirculated to ensure a stable temperature and uniform environment.

ELEGANT LED ACCENT LIGHTING

Create the mood you're looking for with tri-color interior lighting in cool Midnight Blue, clean Theater White or warm Honey Amber.

2 HANDLE STYLES INCLUDED

Choose between sophisticated Designer or attractive Pro Style handles. Both are included, so you can match your decor with ease.

SPECIALTY MODELS

DIGITAL CONTROL PANEL

Easily control temperature, adjust lighting and more with intuitive control panels. Combo unit compartments have independent controls.

XACTIVE AIR CIRCULATION

Filtered, conditioned air is recirculated to ensure a stable temperature and uniform environment.

SECURE DOOR LOCKS

Keep contents safe and uninvited guests out. Combo unit doors each have a dedicated lock.

HINGES FOR FLUSH INSTALLATION

Like all XO models, flush installation is easily accomplished with attention to details like zero clearance hinges and low profile plugs.

ELEGANT LED ACCENT LIGHTING

Create the mood you're looking for with tri-color interior lighting in cool Midnight Blue, clean Theater White or warm Honey Amber.

2 HANDLE STYLES INCLUDED

Choose between sophisticated Designer or attractive Pro Style handles. Both are included, so you can match your decor with ease.
